CLUB PROGRAM/REGISTRATION FEES

Club program and registration fees consist of: training fees, coaching fees, player registration to FYSA and/or US Club Soccer, field & facility expenses, league registrations, insurances, league referee fees (unless otherwise noted), and other costs as determined by the Club. All fees remain the same throughout the season regardless of the number of days in the season.

In registering for one of our programs, you understand that you commit to play the entire season, pay the non-refundable registration fee, and pay the remaining fees due the Club per the payment schedule you choose.

You understand that failure to pay Program/Registration fees will put you in “Not in Good Standing” which will result in the player’s playing privileges being suspended until such obligation is fulfilled.

TEAM SPECIFIC FEES (specific and unique to your team)

Team specific account fees are paid directly to team account and do not include club/program fees. The fees include, but are not limited to, team entry fees to individual tournaments, state and region cup referee fees, coaches per diem, travel and stay expenses for coaches (see per diem policy) and any other team related expense approved by the team.

See the Team expenses and club breakdown (page 7) for further detail.

UNIFORM FEES

2018-2019 will be a new uniform year with Nike. The Uniform cost is \$200 for youth sizes and \$210 for adult sizes per player and includes

- 2 Nike Game-Day Jerseys
- 2 Nike Game-Day Shorts
- 2 Nike Game-Day Socks
- 2 Nike Training Jerseys

VOLUNTEER OPT OUT

As a non for profit organization, we look at creative ways to reduce cost. We rely on volunteerism to ensure the club and team operations run at the highest quality and as efficiently as possible. For this reason, we ask members to donate 4 hours of their time. There is a \$100 volunteer fee that is credited back to your account once you have completed your volunteer service. This is assessed at time of registration.

PER DIEM GUIDELINE

For the purpose of tournament and events, we have established a guideline for Teams and Team Managers in reimbursement of costs incurred by coaches for tournaments and events that occur over 40 miles from Gardens Park, Burns Road.

- Anything within 40 miles there is no coach per diem expected
- Over 40 miles from the complex, the coach can be reimbursed for gas/tolls/food etc.
- Any club assistants that attend the game or tournament will be covered by the Club.

REQUESTING A RELEASE, REFUND OR DISMISSAL

Release from a team and the club will be on a case-by-case basis. For a release to be granted, a player will need to have all financial (no balances) and club obligations met.

A refund may be granted if a family relocates more than 100 miles from club, injury to player keeping them from participating in all soccer activities for a period more than one month (Doctors note must be submitted with request) or extenuating circumstances (such as serious medical hardship in the family).

What is the process for refund?

1. Complete and submit the form to DOC &/or Board
2. Supply all supporting documentation (Medical documentation or proof of relocation)
3. The request is reviewed by the club board and DOC. Request for refund is approved or denied and given to Board to process the refund or issue a credit.

When are refunds denied?

No fee payment or parts thereof will be refunded or forgiven because of player absences, withdrawals, or release from a team. Refunds shall not be granted upon the basis of playing time; a change in coaching; opposing views with coaching decisions; discord between player, parent, or coach, a player quitting the sport. In the event a player is granted a release from the club prior to the season's end, pursuant to FYSA rules, we reserve the right to withdraw financial assistance funds.

The Club will consider, but not guarantee a refund of registration fees. If a player leaves the Club prior to the end of the season, a checkout procedure with the Team Coach and Coaching Director must be followed. A player is in good standing if he or she has met all financial obligations with the Club and their Team, and has also returned all Club uniforms and other Club items.

Who reviews and determines refund request:

Palm Beach Gardens Predators Board and Director of Coaching

When can a family expect an answer regarding their refund?

Our goal is to provide an answer to family within 4 weeks of request submission.

PLAYER DISMISSAL:

A player may be dismissed from the team/Club for the any of the following, but not limited to:

- Abandoning the team
- Behavior on or off of the field
- Disrupting practices or matches
- Parental behavior unbecoming
- Failure to keep in good financial standing with the Club

PLAYER RELEASE:

We understand that should a player wish to be released from the program and/or transfer to another club prior to the end of the seasonal year (May 31st) for any reason except for a move out of state or a long term injury, the player/parent would be required to pay a \$500.00 release/transfer fee to the Club in addition to fulfilling all financial obligations noted above before any "Change of Player Status" would be processed by the Club Registrar. All requests for withdrawal or release from the program must be made in writing and mailed or emailed to the Director of Coaching who will present the release to the Board of Directors for consideration.

OTHER CLUBS:

Players from other clubs are not allowed to practice with Predators teams unless the player has submitted the authorization from the players' coach in writing or via e-mail communication and is approved by DOC.

Predators players may not practice with other clubs unless the player has been released or requested permission from the DOC with written authorization.

GUEST PLAY:

Guest playing within the Club is permissible and at the discretion of the DOC.

Guest playing for other clubs is typically not permitted but is reviewed on a case-by-case basis by the Board and/or DOC.

All guest play, regardless of FYSA or US Club Soccer must be approved by DOC.

PLAYING TIME FOR MATCHES:

Any particular travel soccer players playing time is to be decided by the coach, who will base his/her decision upon various factors including but not limited to practice attendance, skill level development as the season progresses, attitude on and off the field and advice from the DOC.

There is no mandatory minimum playing time.

24-Hour Policy – parents, players and coaching staff should not communicate for 24-hours after a game if any incidents were to happen at the fields. This allows emotions to settle and provide better insight. Any issues can then be resolved with the DOC.

No parent is allowed on the field after the game to discuss the performance of the team or coach.

This will result in a parent suspension if deemed poor behavior by the board and DOC.

Normal monthly payments:

All payments are due by invoice date.

Delinquent payments and accounts:

Should a player fall in arrears, 30 days or more past due, for Club registration fee payments or Team Account payments, the player may be suspended from play until all accounts are brought current. Informed Consent about Concussions or Head Injuries

Informed Consent about Concussions or Head Injuries

Effective July 1, 2012, Florida Statute 943.0438 requires the parent or guardian and the youth who is participating in athletic competition or who is a candidate for an athletic team to sign and return an informed consent that explains the nature and risk of concussion and head injury (including the risk of continuing to play after a concussion or head injury) each year before participating in athletic competition or engaging in any practice, tryout, workout, or other physical activity associated with the youth's candidacy for an athletic team.

The facts:

- ✓ A concussion is a brain injury
- ✓ All concussions are serious
- ✓ Concussions can occur without loss of consciousness
- ✓ Concussions can occur in any sport
- ✓ Recognition and proper management of concussion when they first occur can help prevent further injury or even death

What is a concussion? A concussion is an injury that changes how the cells in the brain normally work. A concussion is caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Even a "ding", "getting your bell rung", or what seems to be a mild bump or blow to the head can be serious. Concussions can also result from a fall or from players colliding with each other or with obstacles, such as a goalpost, even if they do not directly hit their head.

To help recognize a concussion, you should watch for the following things among your athletes:

1. A forceful blow to the head or body that results in rapid movement of the head
2. Any change in the athlete's behavior, thinking, or physical functioning
3. Signs or symptoms of concussion that may be reported by a coach or other observer:
 - a. Appears dazed or stunned
 - b. Is confused about assignment or position
 - c. Forgets sports plays
 - d. Is unsure of game, score or opponent
 - e. Moves clumsily
 - f. Answers questions slowly
 - g. Loses consciousness (even briefly)
 - h. Can't recall events prior to hit or fall
4. Signs and symptoms that may be reported by the player:
 - a. Headache or pressure in the head
 - b. Nausea or vomiting
 - c. Balance problems or dizziness
 - d. Double or blurry vision
 - e. Sensitivity to light
 - f. Sensitivity to noise
 - g. Feeling sluggish, hazy, foggy, or groggy
 - h. Concentration or memory problems
 - i. Confusion
 - j. Does not feel right

Both parents/guardians and players are advised to take the Center for Disease Control's free online concussion training at <http://www.cdc.gov/concussion/HeadsUp/Training/index.html>.

Under Florida law, this player who has suspected concussion or head injury must be removed from play or practice. Before the player may return to practice or competition a written medical clearance to return stating that the youth athlete no longer exhibits signs, symptoms, or behaviors consistent with a concussion or other head injury must be received from an appropriate health care professional trained in the diagnosis, evaluation, and management of concussions. In Florida, an appropriate health-care professional (AHCP) is defined as either a licensed physician (MD, as per Chapter 458, Florida Statutes), a licensed osteopathic physician (DO, as per Chapter 459, Florida Statutes), a licensed physicians assistant under the supervision of a MD/DO (as per Chapters 458.347 and 459.022, Florida Statutes) or health care professional trained in the management on concussions.
